MEMORANDUM FOR:

IHSA

25X1

FROM:

Chairman, Scientific and Technical Facilities
Working Group

25X1

SUBJECT:

Report of Working Group III

1. Working Group III on Scientific and Technical Facilities met for several sessions between 9 November and 4 December 1981. We addressed the areas presented in the IHSA Point Paper on Scientific and Technical Facilities and reached the attached conclusions. All members of the Working Group contributed to these findings and several supported the effort with written contributions.

2. As we note in the attached paper, the growth in these areas has just reached a takeoff point and is accelerating. Under these conditions, we cannot presume to give quantitative growth estimates.
